1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

**In claims**

Claim 6, line 1: the term "claims 1 to 5," is changed to --claim 1,--.

The Examiner amended claim 5 by **informal** amendment since claim 6 is the only dependent in the application and claim 1 is also the only independent claim in the application. Applicant's response is not deemed necessary in response to this informal amendment.

2. The following is an examiner's statement of reasons for allowance: withdrawal of prior art rejection of claims 1-6 and 13-16 in view of applicant's cancellation dependent claims 2-5 and claims 13-16 and incorporation of the dependent claims 2-5 into independent claim, thereby distinguishing the claimed invention from that of the prior art of the record.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such

submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ashok Patel whose telephone number is 571-272-2456. The examiner can normally be reached on Monday-Thursday.
